Summer 2017 Midwest Retreats

We are pleased to announce that reservations are now open for our Fourth Annual Summer Retreats. We are once again offering Five-Day Women's and Men's Retreats—July 10th thru 15th and 17th thru 22nd, respectively.

Considering 2017 is the 100th Anniversary celebration of the apparitions of Our Lady at Fatima, we are offering each of the Five Day Retreats as a Marian Retreat.

Why a Retreat

A retreat is a time for extra graces, an opportunity to gain great graces from God, graces which are not available at any other time.

God reserves His greatest graces for times when we are more available and responsive to them.

Maybe we are seeking to overcome our dominant fault; maybe we are trying to discern God's calling; maybe we are uncertain about an important decision; maybe we just need time to take a deep breath away from the hustle and bustle of daily life and contemplate the beautiful mysteries of our Faith. A retreat is the ideal solution. It is truly a life-changing experience!

The privilege of a retreat is to draw down upon us all the graces of God in their greatest plenitude. "Behold now is the acceptable time: behold now is the day of salvation." *[2 Cor. 6, 2].*

What is a Marian Retreat

A Marian Retreat is one that focuses on Mary in particular, and is to help us develop a closer relationship with Her. These Five days provide a vital nurturing of a profound relationship using readings, periods of quiet peace and reflection.

"What is special with this Marian Retreat is that it focuses on the total consecration and true devotion to Mary as a deep source of spirituality".

Particular focus is on the doctrinal treatment of Our Lady's role as Mother of God and Mediatrix of All Graces. Meditation is based upon the Mariology of St. Louis de Montfort and St Maximilian Kolbe.

Coordinated by:
